

The Australian PVC Stewardship Program

This is to certify that

Baerlocher Malaysia
SDN BHD

is a Signatory to the voluntary Australian PVC Stewardship Program (PSP) developed by the Vinyl Council of Australia in 2002. As a Signatory, the company commits to report annually against applicable environmental commitments associated with best practice manufacturing, safe and sustainable use, energy and greenhouse gas emissions and resource efficiency of PVC products in Australia.

Chairman, Vinyl Council of Australia

Signatory Since May 2016
