BAERLOCHER

With a company history of almost 200 years, the **Baerlocher Group** is one of the world's leading additive suppliers. Our modern company is represented worldwide and thus combines the advantages of a medium-sized family business with an internationally operating group of companies. We welcome diversity and work in intercultural structures in which our overall values of respect, integrity and excellence are lived.

As an innovative, future-oriented company, BAERLOCHER places particular emphasis on the training of junior staff.

**We offer attractive and perspective-rich apprenticeships for
the year 2024 in the professions:**

- Chemical technician (m/w/d)
- Electronics technician for operating technology (m/w/d)
- Industrial mechanic (m/w/d)
- Warehouse logistics specialist (m/w/d)

What we offer

- Responsible tasks right from the start
- Flat hierarchies in a family business
- Flexible working time models (no shift work)
- Special training to prepare for exams
- Fair pay in accordance with the Lower Saxony chemical pay scale
- Company restaurant with employer-sponsored benefits

we add character to plastics
Respect Integrity Excellence
